

## Exhibit Policy

Individuals and organizations shall be invited to provide temporary exhibits of hanging or 3-dimensional art to enrich the library experience of Library patrons and visitors; to enhance and increase community appreciation of the arts; to present a variety of exhibitions by area artists in the visual arts and other media that are educational, historical, cultural, intellectual, charitable, and recreational; to help local and regional artists increase their public exposure.

Barrington Public Library (the Library) reserves the right to screen potential exhibits for type, suitability, quality, and space requirements. The planning, scheduling, and screening for exhibits shall be the responsibility of the Library Director.

The Library shall not be responsible for loss, theft, or damage to exhibit materials while on the premises. Exhibitors shall be required to sign a release form (see appended). No tape or other adhesives may be used on the exhibit wall.

The Library staff may not participate in the sale of exhibit materials; no money shall be collected on the premises. If the exhibitor has provided contact information, the staff shall provide it to individuals interested in purchasing materials.

Selling prices may not be affixed to art or other objects on display, but exhibitors may leave a price list at the Reference Desk.

Artists are welcome to submit a program proposal to showcase their work. The proposal may include leading workshops or discussions where artists share their processes and inspirations. The program must be held in the month of the artist's exhibition and adhere to the library's program policy.

The artist does not receive any compensation for conducting the program. There shall be no charge to the exhibitor or the public for any exhibit.

## **Art Display Information**

The Main Floor Gallery has a larger area to show artwork and gets excellent foot traffic. The Jennifer English Gallery is on the second floor and is at the entrance of heavily used program rooms. Both galleries also have a monitor for digital displays that can add another dimension to an installation.

Artists are encouraged to come into the library and look at both spaces to gauge the amount of work that is needed to fill each gallery.

## Setting Up Your Exhibit

Exhibits are placed at the Library for one calendar month unless otherwise arranged with the Library Director.

**IMPORTANT:** They must go up *on or after* the first day of the month and are to be taken down *on or before* the last day of the month in which they are scheduled.

Please be aware that it is the **exhibitor's responsibility to put his or her exhibit into place physically**; no library staff person will be on hand to help hang a show or arrange a display in the library's exhibit case. Many people find it useful to bring a friend or family member along to assist.

Library exhibits are put in place strictly for the enjoyment of the public, **not as commercial advertisements**. Business flyers are not to be displayed, although the artist's biography may mention a place of employment, and all exhibitors may give a contact email or phone number where they can be reached.

Exhibitors are welcome to **leave a price list with the reference staff**; prices are not to be posted at either display site.

Small tags to describe the work can be placed on the bottom right of the pieces with adhesive that will not damage walls.

Both galleries have **digital display monitors** that can be used to show a slide show of more work, or a video to support the art. (See FAQ for file information.)

A **QR code can be included** in the artist's literature directing patrons to more information about the exhibit.

## Press Releases

Press releases will be sent to East Bay Newspapers and if a photo is submitted the exhibit will also appear on the library's social media platforms.

Include a photo in .jpg format.

Provide a paragraph describing what the viewer will see when they visit the exhibit, along with another paragraph giving a brief biographical description of the person (or persons) responsible for the display.

The library must receive press release information **one month before your exhibit.**
