SAFE HARBOR MURAL

Have you seen the new mural in our main stairwell?

Created from individual pieces of artwork made by community members during the summer of 2025, Safe Harbor is a powerful reflection of creativity, connection, and belonging. Each contribution comes together to form a shared visual story that represents our community as a place of welcome and care.

The mural was designed by Ann Fischler Forrest, a RISD graduate and accomplished artist, who thoughtfully wove these many individual works into a cohesive and meaningful whole. Many thanks to the Friends of the Barrington Public Library and the Barrington Public Library Foundation for coming together to fund this project.
